The FAU Gala was a tremendous success. The gala celebrated President Kelly's first year. More than \$400,000 went to scholarships.

FAU student Alton Bresky has received the 2015 Citizen's Service Above Self award from the Congressional Medal of Honor society. He is one of three honorees. The award will be held in the Tomb of the Unknown at Arlington National Cemetery. Alton showed great bravery when he dove into the water to save a 92-year-old man who was stuck in his car. Alton then administered CPR to save the man's life. FAU is very proud of his bravery and glad he is a student in the Charles E. Schmidt College of Science.

The FAU baseball and softball teams are both having great teams. Softball is tied for first in Conference USA. Baseball is ranked No. 20 in the nation.
